User registration can be done in two ways:

- Either with the standard wordpress registration process
- Either using social media

LOGIN / REGISTRATION

The image shows a web application interface with a login and registration form overlay. The background is a blurred image of a smiling woman and a man. The form overlay is titled "Welcome to FAMEROAD." and has a close button (X) in the top right corner. It features two tabs: "Login" (selected) and "Register". The form includes input fields for "Username or Email Address *" and "Password *", a "Log In" button, a "Remember me" checkbox, and a "Lost Your Password?" link. Below these, there is an "OR" separator and a section for social login with buttons for "Login with Facebook", "Login with Google", "Login with LinkedIn", and "Login with Amazon". The top navigation bar includes a search bar, "Home", "About", "Sign In", "Add Listing", and a heart icon. The bottom navigation bar includes a search bar and a heart icon.
